Oh, we've already got our rocks off watching the shoot – you were sensational!

Ahh, flattery will get you everywhere…

Will it? Great! You're the best Adele, we think you're the tops!

…go on. Keep it up…

Okay, we're your number one fans!
Hmm, I bet you say that to all the girls you meet on photo-shoots…

No, no! Honest! We really do adore you above all the others!
That's sweet.

Yeah, and… er, we reckon you've got the best chest in the business!
Really? So you think my boobs are better than, say, Veronica's? Now I am truly flattered – she's got a great pair.

Uhm, you won't tell Veronica we said that though, will you? Please?
Why not? It is true, isn't it? You wouldn't just say that to get round me, would you?

Possibly…
Oh, you rotters!

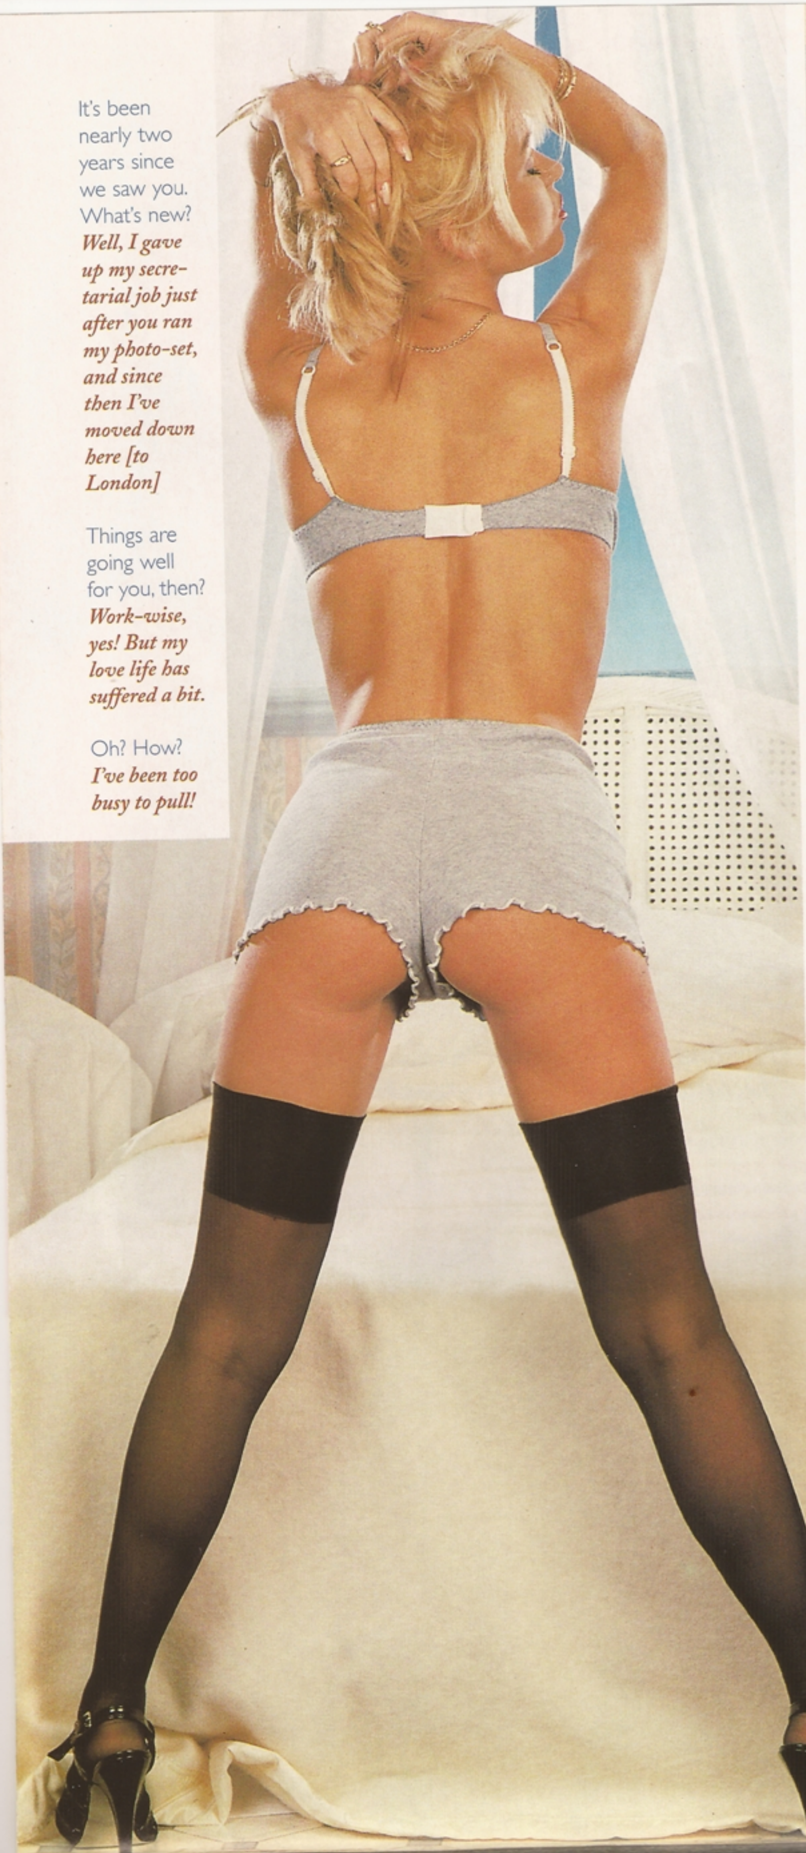
It's been nearly two years since we saw you. What's new?
Well, I gave up my secretarial job just after you ran my photo-set, and since then I've moved down here [to London]

Things are going well for you, then?
Work-wise, yes! But my love life has suffered a bit.

Oh? How?
I've been too busy to pull!



What? That's terrible news!
It sure is, I'm hornier than an Easter bunny – in fact, I haven't had a decent shag for months! I'm getting worried that I'll forget how to do it…

We might be able to help you out there. First, lay back and open you legs.
Whoa! Hold it right there! I said I hadn't had a 'decent' shag in ages – and for a decent shag you need a decent fellah!

Gilena

Hey Gilena, nice hair-do!

Thanks. Do you think it suits me? I wasn't sure once I'd had it done.

Yes, we like it. We just hope your fans will recognise you.

Yeah, I couldn't believe the response to my last appearance.

So far a total of 867,944 people have seen your film clip on our web site – so it's not *that* surprising!

Strewth! I had no idea that many people had seen it. Do you think they'll like this movie, too?

Well, we certainly did!

I could tell… I could see the bulges in your trousers!

Ahem. Sorry.

No need to apologise, boys, I was really flattered!

You never actually said 'no', did you? You said a lot of 'maybes', and 'I'll think about it' – but you never actually said 'no'

I very rarely do. In fact, I can't even remember the last time I said 'no' to a bloke. Unless you count the creep I met on the tube…

Did you get grief from a weirdo or something?
Nah, not really. It was just this pissed-up old bloke. He asked me if the train we were on went to Leicester Square – so I told him where to get off!

So, you didn't fancy him?
Are you kidding? No way! He didn't look too bad, but he was so rat-arsed he wouldn't have been up to much – if you know what I mean!

You look a little flushed, Veronica. Are you alright?
Never better! In fact, I don't think I've ever had as many orgasms in one afternoon before. Phew, I'm exhausted!

You're so naughty!
Hey, there's nothing wrong with giving yourself a work-out!

But you nearly gave the photographer a heart attack!
Did I? How?

Now don't act all innocent with us – we can't use photos of you with your fingers jammed up your fanny. You should know better.
Hey! I didn't do it on purpose, you know. It was very slippery and my hands were wet… and…erm…

And you frigged yourself off…

Okay, so I got a bit carried away. But I didn't see you complaining; your eyes were out on stalks! Have you never seen a girl having fun?

You can't make your mind up, can you Dill?
How do you mean?

Well, one month you're all dressed-up in rubber bondage gear, the next you go all soft and fluffy…
Variety is the spice of life, they say, and I feel pretty 'spicy' whatever I'm wearing!

Which do you prefer?
It depends on what mood I'm in. Sometimes I like to be strong and assertive, always in control, and at other times I like to be pampered and act coy.

So, you're a bit of a schitzo, then, right?
If you say so, Sir. Now kiss my feet, you worm!

Crikey! Watch out chaps, she's losing her marbles!
Grrr! Come here! I want to play 'lions and tigers'. Grrr!

What? Snap out of it, dear, you're scaring us!
Who, me? Don't be afraid, I'm just a pussy-cat really…

Yeah? Well come over here and we'll give you a stroke…
Mmm, that's good. Purrrrr!

Oh, you like that, do you?
Purrr. Miaow! [Dill starts to 'wash' herself in a cat-like fashion. It's weird!]

Oh cripes, she's off again. This girl's nuts!
Hey, watch it! I've got very sharp claws for a pussy-cat…

Uh huh, sure. Okay. Whatever you say!
That's better. Now, where were we? Ah yes, I remember. You were just about to tickle me behind the ears. Come on!

Can we make a bet with you?
Bet me what?

We bet you £50 that our readers are thinking about a card game as they look at you.
Oh? How do you work that out?

Because, like us, they'll be thinking 'Cor! I'd certainly like to poke-her!'
Call a doctor – quick! You're so funny I think my sides have split!
